Greeting

Litany for Living in Communion

May we use the world's resources we need with love, humility, and thoughtfulness, without guilt, without fear, without waste.

May we live in communion with the earth.

May we live together with animals with which we share this planet, being careful not to harm them or their habitats.

May we live in communion with the earth.

May we respect the life in our lakes, rivers, and oceans, using them with care and being mindful in our efforts not to pollute them.

May we live in communion with the earth.

May we learn to live within our means, by reducing our waste and continuing to reuse and recycle all that we can.

May we live in communion with the earth.

May we plan to leave the world in a state that all future generations will be able to enjoy, ensuring that it is filled with resources, life, and kept healthy and clean.

May we live in communion with the earth.

Reflections on God's Gift of Creation

Visual Meditation

Prayer for Illumination

You are the living God who sustains all life in continually unfolding ways. And now may we open our ears to your continually unfolding Word. You speak to us in new and vital and imperative ways. With all the power you have given us, let us be silent and open to listening for nourishment, comfort, for challenge and new focus. Amen.
