Greeting

Mother's Day Litany

Mothers come in many different forms, and today we celebrate them all.

Thank God for mothers.

For our mothers, who have given us life and love.

Thank God for my mother.

For those women who have joined God in Heaven and whom we miss dearly here on earth.

Thank God for mothers of the past.

For every woman that works so hard to raise her children right now.

Thank God for the mothers of today.

For all the women who are expecting.

Thank God for the mothers of our future.

For the women who have lost a child to death, that their faith may give them hope.

Thank God for the mothers who inspire strength.

For the women, though without children of their own, who like mothers, have nurtured and cared for us.

Thank God for the mother figures in our life.

For mothers, who have been unable to be a source of strength, who have not responded to their children and have not sustained their families.

We pray to the Lord.

Loving God, we thank you for the women who have influenced our lives in so many ways. Let the example of their faith and love shine forth. We pray that we will honor them in everything we do.

Amen.
