Greeting

Gathering Words - A Father's Day Litany

Fathers come in many different forms,
and today we celebrate them all.

Thank God for fathers.

For our fathers, who have given us life and love.

Thank God for my father.

For those men who have joined God in Heaven and whom we miss dearly
here on earth.

Thank God for fathers of the past.

For every man that works so hard to raise his children right now.

Thank God for the fathers of today.

For all the men who are expecting to be fathers.

Thank God for the fathers of our future.

For the men who have lost a child to death, that their faith may give them hope.

Thank God for the fathers who inspire strength.

For the men, though without children of their own, who like fathers, have
nurtured and cared for us,

Thank God for the father figures in our life.

For fathers, who have been unable to be a source of strength, who have not
responded to their children and have not sustained their families.

We pray to the Lord.
